As you walk up the steps to the building which houses the U.S. Supreme Court, you can see near the top of the building a row of the World's law givers and each one is facing one in the middle who is facing forward with a full frontal view - it is Moses and he is holding the Ten Commandments!

As you enter the Supreme Court courtroom, the two huge oak doors have the Ten Commandments engraved on each lower portion of each door. As you sit inside the courtroom you can see the wall right above where the Supreme Court Judges sit, a display of the Ten Commandments.

Patrick Henry, a patriot and

Founding Father of our country said, "It cannot be emphasized too strongly or too often that this great nation was founded not by religionist, but by Christians, not on religions but on the Gospel of Jesus Christ.

### **Like a Tree Planted by Rivers of Water**

Many great men tried to get out of the demand of God's will. Moses pleaded that he was not a good speaker (Ex. 3:10). Jeremiah attempted to claim youth as his out (Jer 1:6). Jonah simply ran away (Jon 1:3). Excuse making is still a popular response to the challenge of taking God's Word to the world.

One thing seems to be common about most of those great men. When God's Word got into their lives, they were able to overcome their fears and doubts. Moses became a great leader and eventually did much of his own speaking, even without Aaron. Jeremiah tried to hold it in but could not. Even Jonah, though he moped, preached to Nineveh.

It is still that way today. Get God's Word into your mind and life. His Word prepares us for the task ahead. Power and strength come with and are found in the Word of God. Try it out. You may be a "great" man in the making.
