- We have been invited to join in activities with a sister congregation in Hermitage, MO (Hickory County Church of Christ) if we are ever in their "neck of the woods"! They have extended an invite to the ladies for a study on the first and third Monday's of each month. A flyer is posted in the foyer.

- The Hickory County brethren have made plans for an area-wide singing on September 28th. This use to be widely practiced in the past and were often well attended. We have an instruction in Ephesians to "speak to one another in psalms, hymns and spiritual songs", doesn't say there is a limit to how often this is to be done. When did you last do this or how often to you do this? A flyer for this event is also posted in the foyer.

- Can change for children... A reminder to those who have Fair Haven change for children cans, to be dropping in their change. We will collect **after summer is over** to deliver them to Fair Haven...

Awake America

"Righteousness exalteth a nation but sin is a reproach to any people"--Proverbs 14:34

Proverbs 14:34 is a message that should be echoing throughout this great land of ours. The people of America and her elected or appointed representatives need to wake up and listen to God in this matter. When sin, wickedness, and immorality fill the hearts of the people of a nation, that nation becomes contemptible in God's sight. It does appear that America has become a nation of people in love with themselves, covetous, boastful, proud, blasphemers, unthankful, unholy, without natural affection, liars, despisers of good, high minded and lovers of pleasure more than lovers of God (2 Tim. 3:2-5). Evil things are being good and sometimes good things are being called evil (Isa. 5:23; Rom. 1:26-27). Those works of the flesh spoken of in Galatians 5:19-21, once so strongly taught against, have now become so commonplace in the lives of the people in America they are no longer viewed in horror by great masses of people. The morality of this nation has been on a slippery slope for quite some time and has now reached a point where adultery, drunkenness, homosexuality, lesbianism, same sex marriage, abortion along with a host of evil practices are not only being accepted but actually glorified (Rom. 1:22-32). America is being divided and torn asunder not only by the words of hatred being spewed forth by our elected and appointed representatives in government but also by the citizens of this great land. Why are so many of the supposedly God fearing people of America standing idly by watching this great nation wallow in a cesspool of immorality? Why, O Why? In spite of her abundant blessings from God, America has great sins before him. I pray that God will continue to have mercy on us and at the same time I pray for an awakening among the people of America that will lead America and her elected and appointed representatives in government to acknowledge God as the creator and sustainer of life and give to him glory and honor (Eph. 5:6-17). Study diligently Daniel's prayer for Israel (Daniel 9:1-18) and be impressed. God fearing men and women throughout this great nation need to be on their knees pleading with hearts of sincerity for mercy and forgiveness. I never want to be thought of as a person of gloom and doom but the people of America need to wake up before the darkness of wickedness completely envelopes this nation (Eph. 5:3-17). In the end, God wins! To God be the glory forever and ever, Amen.
