Bible Thought for the week

For what the law could not do, God sending his own Son in the likeness of sinful flesh and for sin, condemned sin in the flesh

- Romans 8:3

July 20, 1969 is a day that is forever etched into the history of man because on that day man stepped foot on the moon. It is reported that one young man when asked his reaction blurted out, "It's the greatest thing that has ever happened". Friends, the greatest

thing that has ever happened is not that man has stepped onto the moon. The greatest thing that has ever happened is that God sent his son into this world in the person of Jesus Christ to make it possible for us to be pardoned of sin (John 3:16; Rom. 5:8; Col. 1:12-14). The life, death, resurrection of Jesus from the grave and the establishment of the Lord's church are far greater than man going to the moon.

As we follow his footsteps through Matthew, Mark, Luke and John, our hearts overflow with joy as we learn about his love and compassion for mankind. We see him as he is often treated in a shameful manner, rejected, scorned, and falsely accused. Then one day his enemies lead him from the Garden of Gethsemane to be ridiculed, tormented, beaten and nailed to that old rugged cross. Luke records in Luke 23:33, "there they crucified him" and with those words all seems to be lost. But death could not hold him, He arose (Matthew 28:6; Mark 16:6; Luke 24:6).

Let the following words from one of our grand old songs fill your heart today:

"God sent his Son, they called him Jesus, He came to love, heal and forgive,

He lived and died to buy my pardon, An empty grave is there to prove my Savior lives!

And then one day I'll cross the river, I'll fight life's final war with pain,

And then as death gives way to victory, I'll see the lights of glory and I'll know He lives!

Because He lives, I can face tomorrow, Because He lives, all fear is gone,

Because I know He holds the future, And life is worth the living, Just because He lives!
